## For Parents Only

Gen Z gets a bad rap sometimes. They are absorbed in social media and addicted to their phones. They are a selfish. I could spout statistics and studies. However, what we saw, heard, and experienced this week at MFUGE 2024, with 664 Gen Z students, was astounding.

On our first night, with everyone having been there only a couple of hours, the camp pastor gave a most unique invitation to follow Jesus. No heads bowed, no eyes closed, no music playing, no altar call, no manipulation, no nothing. As the message ended, he asked if anyone wanted to repent of their sins and believe the good news of the gospel. It seemed like an eternity. Everyone was looking around, but then a student stood. There were gasps. Then another student across the auditorium stood. Then a young lady. One after the other, slowly, 25 students stood to their feet. The camp pastor made sure they understood what they were doing. Then we cheered wildly, loudly, and long. We sang a song and then went to our church group

devotions. It happened Monday night, and each night thereafter. In all, around 50 students gave their lives to the Lord. These and other students in their small groups were "vived" for the first time. A revival starts with individual believers and spreads to the church and the world. But you can't be "revived" if you've not first been "vived", made alive in Christ (Eph 2:4).

What we experienced impacted and changed us. We want to see this generation and the next (Gen Alpha) lead a revival that will impact our church, Rabun County, our nation, and the world with the good news of the gospel of Jesus Christ.

## By the Numbers...

- We are still meeting on Sunday mornings and having a ball. All 9th-12th graders now meet together, with Leon, Ryan, and Shelly teaching. The new 7th graders will promote up with everyone else on August 4. Hope to see you Sundays at 10:30am. And you never know when DONUTS will show up!
- LOFT is going great! We've had 24 each week and we are looking for you to join us. Come and bring a friend. "The Bible in 16 Verses" is the study. It's Wednesday nights @ 6:30pm at the Wright Pavilion on Old Hwy. 441 just south of town. We're done at 8pm.
- We took 9 to M-Fuge and had an absolute ball! We all made commitments to bring what we learned home to impact our youth group and community with the gospel. Pray as we carry out our commitments.
- Don't miss what's going on this summer!

## How Can I Help? Glad You Asked!

Help us with 7th grade orientation on July 7 @ 11:45am;

Join the Youth Band. We need singers and instrumentalists;

We need students to run slides, sound, and livestream.
