Worship. We were created for worship. Our whole lives are worship (Romans 12:1 & 1 Cor. 10:31). We worship @ 9am on Sundays and @ 6:30pm at Wednesday Nite Live (WNL). Students can be in the worship band, the WNL student band, or our tech crews.

Disciple. This is the heart of our ministry. It's life-on-life and relational. It's where we take God's truth and apply it to our lives, living out the gospel. It's learning to love God, each other, and the lost world (Matt. 22:37-39). It's about going, baptizing, and teaching (Matt 28:18-20). We want students to "grow in the grace and knowledge of our Lord Jesus Christ." (2 Peter 3:18). We have graded Sunday School classes, and gender/grade specific small groups at Wednesday Nite Live. There are many small group activities that happen not just on Sunday and Wednesday! We love having fun!

Serve. 1 Peter 4:10 says we are to use our gifts to serve the body of Christ and the lost of the world. Local ministries include Choices Pregnancy Center, HIM Ministry, Food Ministry, etc. Mission trips include VBS, M-Fuge, Alaska, etc. We follow the gospel model of sharing our faith, like the four friends bringing

their sick friend to Jesus (Mark 2). Students tell their friends about Jesus and bring them to our

events. We are committed to students reaching out to their peers, inviting them into a relationship with Jesus Christ and His Bride, the Church. We train our students to do that.

Costs. We keep our costs as low as possible. Students going on mission trips are expected to work any fundraisers we have. Scholarships and other means are available if you will just make us aware of the need. Our big ticket items include Snowbird Retreat (\$150), M-Fuge (\$400), Alaska Mission Trip (\$1,800).

A Word from David. This year marks the entrance of "Gen Alpha" into our youth group. Science tells us social media wrecks students before age 18. An election happens in the fall. We are training up the next generation of youth pastors by hiring an intern. Things are changing. Other things don't change. Students still crave relationships. A gospel-centered community is the best place to find that. That's CBC and our ministry to students. We will continue to preach the TRUTH of God without compromise.

Anything else would be unloving and unbiblical. I am excited about where we are and what God is doing. We want our youth to know Christ, own their faith, and make Him known among the nations. We want our students to take their faith to the next level and help disciple their friends. Our prayer is to honor and glorify God by discipling students until Jesus returns. We will make him known in Rabun County and around the world. Join us as we train and send out the next generation for Christ!

Clayton Baptist Church Youth Ministry Brochure 2024-25

MEGA Yak

"Glorifying God by making disciples of all nations until Jesus returns!"

Our Purpose...

Is to "glorify God by making disciples of all nations until Jesus returns!" Discipling is a life-long pursuit, a marathon. Disciples are also to "make disciples". In 2024-25, CBC Youth Ministry will continue focusing its efforts to multiply our students, adults, ministry, efforts, etc. We are committed to seeing student disciples leave here and make disciples elsewhere. We are focused on Matthew 4:17 & 19, 22:37-39, and 28:19-20. Our ministry is relationally based. We want to make disciples in Jerusalem (the schools), Judea (Rabun Co. and Georgia), Samaria (our country), and the uttermost parts of the earth (Acts 1:8). We are passionate about Jesus, students, and the truth of God's word.

These are dedicated, caring adults who love Jesus and are **called** to work with students. On call 24/7/365, they help students know Christ, own their faith, and make Him known among the nations. They also love to play! With some 475+ years of ministry experience, our staff have undergone background checks, abuse awareness training, and are committed to growing relationships with Jesus Christ and our youth. They are among our church's best leaders! We are very picky about who works with our students because we want the best!
